designated as a licence-free
fishing week by the Province of
Ontario.
Conservation Fishing License
limits applies to this activity.

CHAPPLE HERITAGE

The Chapple Heritage Committee would like to thank all those who helped with cleaning the museum and working at the orchestra concert and the yard sale.

They include Bob & Nancy Fretter, Brenda and David Dolph, Isabel Watts, Emily Clink, Dave McKelvie, Cloverleaf Grocery and the Borderland Community Orchestra.

Thank you to the following who shared their talent by contributing homemade crafts to the silent auction: Rick Neilson, Cindy Nielson, Carol Hyatt, Emily Hyatt, Doris Dyson, Shirley Brown, Michelle Teeple, Peggy Johnson along with committee members June Wheatley, Wayne Barron and Heather Oltsher.

Thank you also to those who donated items for the yard sale or rented tables.

Whatever your contribution to these fundraising events, we really appreciate it. We were able to raise over \$2,500 for the Chapple Museum to help cover expenses.

Thank you also to the committee members who worked so hard to make both of these events a success. Your Heritage Committee is Chair Rilla Race, Secretary Heather Oltsher and members Wayne and Eleanor Barron, Steve and Joan Both, Glen Jackson, June Wheatley, Doug and Yvonne Barron.

Thank you to all those who continue to come out in support of Heritage fundraisers. Your presence and generosity help to keep the museum going.

MUSEUM STUDENT: The Chapple Heritage Committee will be having a student working in the museum beginning on Tuesday, June 27th. Hours during July – mid August will be 10:00 a.m. – 4:00 p.m. Please plan to stop by and check out the museum some time during the summer. There's always something new to see from year to year.

ST PAUL'S HERITAGE CHURCH: Thank you to Owen Martin and Barwick Builders for their recent work on St. Paul's Church. It looks great. Thank you to the township for help in completing this project. St. Paul's can also be visited during the summer months. This former Anglican Church was built in 1906 and restored in 1999.

~~~~~

*Information is being collected on Chapple family histories for archiving and possible distribution sometime in the future. Information sheets will be available to assist people with submissions. For further information please contact Ruth Teeple at 487-2605.*

## **Is Your Family Prepared?**

*In an emergency you will need some basic supplies. You may need to get by without power or tap water. Be prepared to be self-sufficient for at least 72 hours.*

You may have at home some of the items already, such as a flashlight, battery-operated radio, food and water. The key is to make sure they are organized and easy to find. Would you be able to find your flashlight in the dark?

Make sure your kit is easy to carry. Keep it in a backpack, duffel bag or suitcase with wheels, in an easy-to-reach, accessible place, such as your front hall closet. Make sure everyone in the household knows where the emergency kit is.

### **Basic Emergency Kit**

\* Water – at least two (2) litres of water per person per day. Include small bottles that can be carried easily in case of an evacuation order. \* Food that won't spoil, such as canned food, energy bars and dried foods (remember to replace the food and water once a year). \* Manual can opener. \* Wind-up or battery-powered flashlight (and extra batteries). \* Wind-up or battery-powered radio (and extra batteries). \* First aid kit. \* Special items such as prescription medications, infant formula, and equipment for people with disabilities. Don't forget pet food/supplies for your family pet. \* Extra keys to your car and house. \* Cash in smaller bills, such as \$10 bills and change for payphones. \* A copy of your emergency plan and contact information. Check out [www.getprepared.ca](http://www.getprepared.ca) for a list of additional emergency kit items for your home & car.
