CHAPPLE HERITAGE NEWS

Chapple Heritage would like to welcome two new committee members – Wayne and Eleanor Barron.

A big thank you to Glen Jackson for organizing work crews for the museum and thank you to all who helped him out – Wayne Nugent, Norm Hyatt, Doug Barron, Fred Paesel, Steve Both.

Thank you to everyone who helped with the cleaning of the museum – committee members, Karen Jackson and Isabel Watts.

Thank you to committee members for staffing the museum for Saturdays during May and first two weeks of June.

Heritage yard sale will be held this year on Friday June 27th and Saturday June 28th from 10:00 a.m. to 4:00 p.m.

Museum Tea will be held Saturday June 28th from 2 – 4 p.m.

There are new things to see this year at the museum. This year’s theme is transportation. Come in a check out the model ships built by Carl Brandt and Wm. Strammers, a train set from the 1950’s; replica souvenirs from the Titanic and other things related to travel.

Beginning July 1st we will have a summer student again and the museum will then be open Tuesday thru Saturday from 10:00 a.m. to 4:00 p.m.

To all who continue to support heritage thank you and please come and visit the museum during the summer months.

Check online at www.voterlookup.ca to see if you’re on the Voter’s List for the Municipal Election that is taking place October 27, 2014

Barwick Blue Knights will be holding their Annual Fast Ball Tournament Saturday, June 28 and Sunday, June 29 starting at 9:00 a.m.

Canada Day Celebrations will be taking place Tuesday, July 1st, 2014.

There will be a Women’s Fast Ball Tournament taking place on July 1st. Canteen and Beer Garden’s will be available at both events.

Volunteers are needed to help run the Canteen.

Food Box Program:

Have you heard about the Food Box Program? Do you enjoy eating local, in season, fruits and vegetables? If yes, then this is the box for you! The Food Box Program is a program through Clover Valley Farmer's Market that anyone can access. The food box is a box of locally grown veggies and fruits that you can order once a month. There are two sizes; a regular size costs \$25.00 and a small bag costs \$15.00. You order your food box the first Thursday of the month at the Northwestern Health Unit and you pick up your food box the third Thursday of the month at Rainy River Meats. This is a great way to get more fruits and veggies into your diet, it's great for those on a budget and it's also a great way to support local producers and growers. If you're interested in order the food box or have questions about the program please contact your local Northwestern Health Unit.

We are asking for ALL residents of the municipality to make sure that ALL their garbage is bagged to reduce the amount of debris that is blowing around onto neighbouring properties.

Extreme Heat

During a heat wave, everyone is at risk. Extreme heat can lead to adverse health effects such as heat stroke.

General Tips

If you are indoors:

1. Stay indoors as much as possible to limit exposure to the sun.
2. Take frequent cool showers or baths.
3. Stay on the lowest floor out of the sunshine if air conditioning is not available.
4. Eat well-balanced, light, and regular meals. Avoid using salt unless directed to do so by a physician.
5. Check on family, friend, and neighbours who do not have air conditioning and who spend much of their time alone.

If you are outdoors:

1. Consider spending the hottest part of the day in public buildings that have air conditioning.
2. Drink fluids (water is recommended) every 15 to 20 minutes even if you do not feel thirsty. Individuals with health problems should consult a physician before increasing their consumption of fluids.
3. Wear light-coloured, loose-fitting clothing that cover as much skin as possible.
4. Wear sunglasses that provide full UVA and UVB protection for your eyes.
5. Apply SPF 15 or greater sunscreen 20 minutes before going outdoors. Don't forget to apply sunscreen to ears and nose which are particularly susceptible to sunburn. Protect your lips with an SPF 15 or higher lip balm.
6. If you feel dizzy, weak or overheated, go to a cool place. Sit or lie down, drink water and wash your face with cool water. If you don't feel better soon, seek medical help immediately.

Prepare Now

1. Review and discuss the safety tips with your entire household to make sure everyone understands what to do in extreme heat conditions.
2. Cover windows that receive morning or afternoon sun with drapes, shades or awnings.
3. Include extra water, sunscreen and sunglasses (with full UVA and UVB protection) in your emergency survival kits.

Building Permits

With the warm weather upon us, new constructions, renovations, and demolitions are taking place all over the district. Remember to contact the Municipal Office at 487-2354 for the proper permits before you start any of these projects at your residence.

Building without a Building Permit is a \$200 fine.
